SUMMARY

Enthusiastic Diploma in CSE fresher with strong skills in front-end development and data analytics. Experienced in building responsive websites using HTML and CSS, and skilled in Python, Pandas, NumPy, Power BI, and Matplotlib for data handling and visualization. Completed internships in Web Development and Data Analytics, gaining practical hands-on exposure to real projects. Highly motivated to apply my technical skills, learn advanced tools, and grow as a multi-domain IT professional.

EXPERIENCE

INTERNSHIP (Data Analytics)

National Institute of Electronics and Information Technology

📅 10/2025-11/2025   📍 Ranchi

NIELIT is an autonomous body under the Ministry of Electronics and Information, Technology (MeitY), Government of India
